Sofia, 11/26/2018

certificate RET4HV

Teacher of LEGO Robotics

Janie Sellers

This teacher has successfully completed a two-month training with the LEGO Mindstorms EV3 Education set. The teacher was also trained in the methodology of „Robopartans“ to work with students from 8 to 16. This certificate entitles the teacher to teach classes in the School of robotics and its academies.

Robopartans Trainer:

Aleksandar Pavlov

A handwritten signature in brown ink, appearing to read "AP", is placed below the name Aleksandar Pavlov.

This certificate has the number of RET4HV
